

Product Overview: ProQuest Central

ProQuest Central is the largest aggregated full-text database in the market today totaling more than 11,500 titles – with over 8,500 titles in full text. It serves as the central resource for researchers at all levels around the world. It boasts over 160 subjects including core subject areas: Business and Economics; Education; Health and Medical; Humanities; Law; News and World Affairs; Psychology; Science; Social Sciences and Technology.

ProQuest Central

With **ProQuest Central**, users will have access to the full edition of some of ProQuest's most authoritative databases including **ABI/INFORM® Complete**, **ProQuest Health & Medical Complete™**, **ProQuest Newsstand™** and **ProQuest Academic Research Library™**.

The benefits of **ProQuest Central** include:

- With over 160 disciplines covered, *ProQuest Central* offers the largest aggregated full text in a single database
- Unmatched collection of full-text content from multiple types of sources such as journals, international newspapers, company reports, industry reports, dissertations and more
- Balanced coverage of academic, trade and news content
- *ProQuest Central* resides on the award-winning ProQuest® classic platform allowing cross-searching capabilities with other ProQuest databases empowering end users to get the most out of their research experience

While **ProQuest Central** provides access to millions of much-coveted full-text articles from thousands of scholarly journals, it also provides access to invaluable non-periodical content:

- Over 800 full-text international newspapers including exclusive access to *The Wall Street Journal* and *The New York Times*. Other top titles include *Los Angeles Times*, *The Chicago Tribune*, *The Globe & Mail* and *The Daily Telegraph*
- Nearly 30,000 full-text dissertations in the areas of business, psychology, physical sciences, health, education and more, helping users build a more robust results set
- Concise business information unique to ProQuest:
 - The *Snapshots® Series* provides current, top-line market reports designed for strategic planning, market forecasting, operations planning, market sizing, competitive analysis and product development across 43 industries in 40 countries
 - *Hoover's™ Company Records* feature profiles of more than 44,000 companies, 600 industries and 225,000 key executives
 - *OxResearch®* delivers succinct articles analyzing economic and political developments worldwide and evaluates issues within a coherent political, social and economic framework. Contains 146 industry topics from over 252 countries and regions
 - 25,000 scholarly working papers from the *Social Science Research Network (SSRN)*
- More than 60 reference sources including *Brooking Papers*, *EIU ViewsWire reports* (Economist Intelligence Unit), *OEF* (Oxford Economic Forecasting), *Going Global Career Guides*, *Occupational Outlook Handbook* and more
