German Literature Collections

German Literature Collections is a single place from which researchers can access individual Chadwyck-Healey German databases. This service offers the German literature products Goethe, Schiller, Kafka, Brecht, and Die Deutsche Lyrik in Reclams Universalbibliothek. German Literature Collections customers can also choose to subscribe to Digitale Bibliothek Deutscher Klassiker as a standalone database available through the German Literature Collections resource. It is available to non-German Literature Collections customers for purchase only. German Literature Collections does not include any additional data to the original products. Updates to German Literature Collections coincide with updates of the individual collections, mainly of Digitale Bibliothek Deutscher Klassiker. | With German Literature Collections, your patrons can:

- Cross-search full texts for author, keyword, title, and title keyword
- Navigate easily between individual collections
- Find and check quotations quickly
- Conduct linguistic research
- Search texts that have not been available together before

Digitale Bibliothek Deutscher Klassiker <http://klassiker.chadwyck.com>

The Digitale Bibliothek Deutscher Klassiker is the electronic edition of the renowned Bibliothek deutscher Klassiker. The Bibliothek deutscher Klassiker is highly regarded as the premier collection of literary and non-literary German writing. The texts range from early German writing to the works of major authors of the 19th century, and include literary, historical, political, philosophical, and theological texts. | Digitale Bibliothek Deutscher Klassiker contains all the Deutscher Klassiker Verlag editions except Schiller, Goethe, and Wieland. Published in cooperation with the Deutscher Klassiker Verlag

Frankfurt am Main, the database provides electronic access to 133 volumes of the print edition, SGML coded and manually keyed. The electronic edition will be published in eight complete full-text releases online and on CD-ROM. | All the texts have been newly edited by leading international scholars and are accompanied by extensive commentaries. The database holds 31 single-author editions (Werkausgaben), including writers such as Wolfram von Eschenbach, Kleist, and Kant, and all 16 collections (Sammelwerke) of historical philosophical, theological, political, and art history texts. | Digitale Bibliothek Deutscher Klassiker allows users to cross-search eleven centuries of German literature. Users can search full text for author, keyword, title, and title keyword.

Goethes Werke (Weimarer Ausgabe) <http://goethe.chadwyck.com>

Goethe (1749-1832) was a poet and a writer who exercised a profound influence on the German language of today. Goethes Werke contains the complete text of the 143 volumes of the definitive Weimar Edition. Every word of Goethe's literary and scientific works, his diaries, and his letters from the Weimar Edition is included, as are all illustrations, notes, variants, and indexes from the published volumes. | Also included are *Goethes Gespräche*, edited by Woldemar Freiherr von Biedermann, Leipzig, 1889-96, and *Goethes Werke, Nachträge zur Weimarer Ausgabe*, edited by Paul Raabe, Munich, 1990. The *Nachträge* include all Goethe's letters discovered since the Weimar Edition was finished and makes this the most complete collection of Goethe's letters in existence. | Detailed coding of text allows researchers to perform very precise searching. Users can search for any word or phrase anywhere in the text or title of a work. Researchers are also able to move instantly between main texts and relevant critical apparatus and to display both on the screen at the same time.

Sie kämmt es mit goldenem Kämme Und singt ein Lied dabei...

-Heinrich Heine

Schillers Werke (Nationalausgabe)

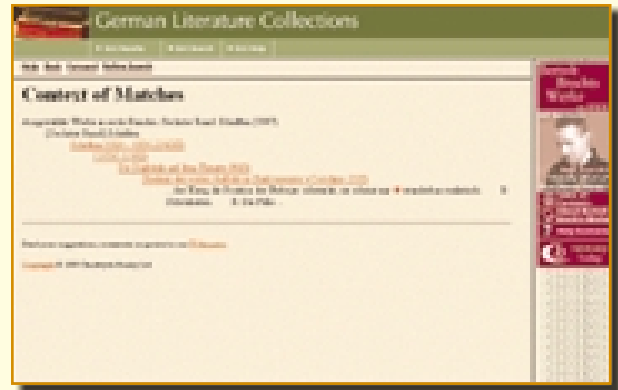

<http://schiller.chadwyck.com>

Friedrich Schiller's (1759-1805) literary works, his writings on history, and his philosophical and critical works have been extremely influential in German literature. Published under license from Verlag Hermann Böhlaus Nachfolger Weimar GmbH & Co., Schillers Werke comprises the whole of the Nationalausgabe, the finest and most complete critical edition of Schiller's works, letters, and conversations. | Schillers Werke currently includes 46 volumes, with further volumes added to the Web edition. It includes the complete text of each volume of his poetry and plays, the translations, minor prose works, historical and philosophical writings, letters to and from Schiller, and the Conversations, as well as critical notes, variants, indexes, and illustrations. | A range of search fields lets users locate individual works according to title, genre, or publication date. Researchers can also search for a word or phrase anywhere in Schiller's complete works, locating word stems, variant spellings, words in combination, or words in close proximity.

Bertolt Brechts Werke (Jubiläumsausgabe)

<http://brecht.chadwyck.com>

The first authorized electronic edition of Brecht's (1898-1956) writings, the Chadwyck-Healey Bertolt Brechts Werke collection is based on *Bertolt Brecht - Ausgewählte Werke in sechs Bänden – Jubiläumsausgabe zum 100. Geburtstag*, the six-

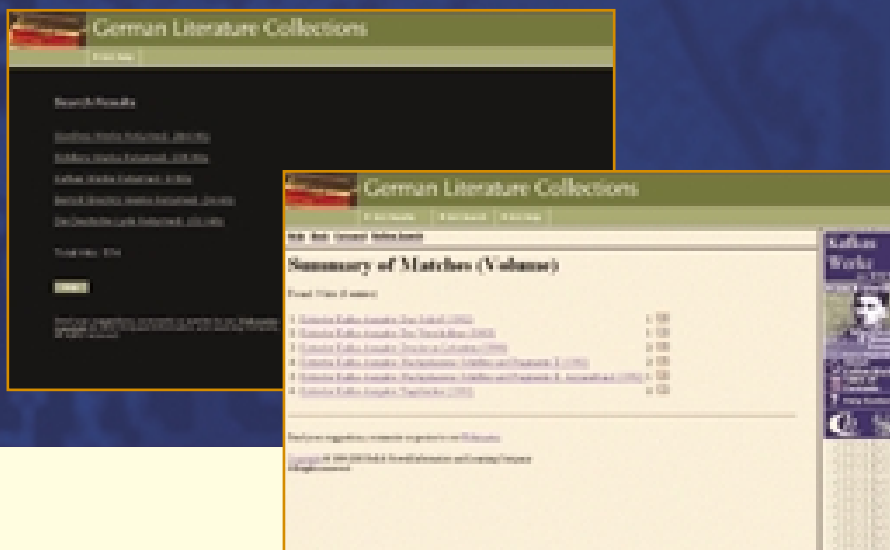

volume compilation of Brecht's works and writings with brief notes on each text. | Produced with the cooperation of German publishers Suhrkamp Verlag, Frankfurt am Main, this literary resource provides scholars with broad access to a range of Brecht's works, from his poetry and drama to his critical writings. It enables researchers to carry out more comprehensive analyses that compare and contrast his approach to the role of drama and his philosophy from his early work during the Weimar Republic through his time in the United States to his final residence in the German Democratic Republic. | Your patrons from beginners to advanced searchers will find Brechts Werke an easily navigable database. Every single work can be searched in either the text or in a heading. Users may search the entire database or limit searches to genre, texts, critical apparatus, date range, and other areas.

All of the German Literature databases have interfaces available in both English and German, with the exception of Goethe.

All the texts in the databases are manually keyed and quality checked.

Search functionality in the databases allows researchers to search for words anywhere in the databases, locating variant spellings, words in combination, and words in close proximity.

Kafkas Werke (Kritische Ausgabe)

<http://kafka.chadwyck.com>

Kafkas Werke (Kritische Ausgabe) makes 15 volumes of Kafka's (1883-1924) novels, short stories, and diaries available electronically for the first time. Produced in cooperation with S. Fischer Verlag, Kafkas Werke includes the complete texts of *Franz Kafka, Kritische Ausgabe, Schriften und Tagebücher*. New research material is added regularly to the Web edition by the editorial board, creating the most comprehensive and up-to-date version of Kafka's works ever published. | This database allows researchers to trace the development of important themes, terms, and motifs throughout Kafka's work, and a variety of search tools makes it easy for users to find the information they want.

Die Deutsche Lyrik in Reclams Universalbibliothek

<http://glp.chadwyck.com>

Die Deutsche Lyrik in Reclams Universalbibliothek is an ambitious and far-reaching project that puts 600 years of German poetry online. This database gathers together works from the 15th century right up to the

beginning of the 20th century (1457-1929)—no other single collection contains this volume or breadth of German poetry in electronic format. | Die Deutsche Lyrik in Reclams Universalbibliothek illustrates the development of German literature and language. The database allows researchers to examine the influences of poetry, politics, literary theory, and philosophy. Users could compare Mörike and Uhland's view on the nature of poetry, or Heine and Herder on their contributions to contemporary philosophical thought. It also includes the texts of a number of anthologies that increase the scope and the range of the resource and put lesser known authors into context. | Published in cooperation with Philipp Reclam jun., Stuttgart, Die Deutsche Lyrik covers all volumes of German poetry published within Reclams Universalbibliothek since 1945.
